Issue #4, March 2018

Reservoir Church commits 10% of its annual income to support Domestic and International Partners who seek to share Jesus in Boston and beyond in seeker-friendly ways. Reservoir currently supports: five Tier 1 partners (who receive up to \$10,000/year), nine Tier 2 partners (up to \$6000/year), and eight Tier 3 partners (up to \$2000/year).

Trip to the Middle East (Tier 1)

Did you know that our concept of a centered-set approach to following Jesus came out of conversations on a trip to the Middle East?

Our church has been building connections in the Middle East since the late 1990's. **This April a group from Reservoir will travel together to meet with our partners** there. From 2008 to 2015, these partners welcomed one of our community groups that moved together from Boston, helping them establish new lives in a new place. Through many ups and downs in their journey, the people we are visiting this April have created **safe places** for Middle Easterners to find **relational wholeness**.

These partners have asked us to visit them so we can pray in person for themselves and their friends. They often feel isolated from other followers of Jesus and **we're excited to bring them some encouragement and support from our community**.

Trip to the Middle East (Continued)

In addition to praying for our partners, our Reservoir team will visit friends who work with Syrian refugees to pray for and encourage them. We hope to make some new friends and do some sightseeing to learn more about the region.

Please pray for:

- Spiritual **refreshment** for our partners
- **Stable, peaceful and just governments** in the Middle East
- **Safe travels** for our team to and inside the country
- Our team to have open eyes and ears to **hear how God wants to speak** to us and the Reservoir community through the trip.

We'll report back to you from this space!

Peter & Rachel Noonan (Tier 2)

Reservoir partners **Peter and Rachel Noonan** run an English language business in a part of the Middle East that is very complicated for Westerners to visit.

We won't get to visit them this time, but **please pray for encouraging friendships** for them too. They've asked us to pray for **safety and stability** for the people in their country and that the people of their region would have the **opportunity and the freedom to follow Jesus** if they want to.
