Rebuild Africa (Tier 1)

Happy 10th, Anniversary!

In December 2017 of last year, Rebuild Africa celebrated its **10th Anniversary!** We have focused our work on bringing hope and assurance to young people that the future can be better by giving attention to their **education, training, and mentoring**. With over 25 completed four-year tuition scholarships and many other housing, school and health projects, Rebuild Africa is still going strong with no intention of taking its foot off the gas pedal.

In the past ten years, I have seen despair, apathy, and resignation among young people turn into hope, passion and a heartfelt desire to catalyze change. We could not have completed all we have without the support and encouragement of the Reservoir Church. Thank you for believing in our dream, and for your ongoing prayers and financial support.

Adam Reynolds (MIT) (Tier 2)

Adam came to be part of the Reservoir community after seeing a postcard about the church in the mail. At Reservoir Church he found faith and his wife, **Mary**, and for the past 10 years they have been engaged with the **MIT community**—Adam's alma mater—where he works full-time as a **chaplain**. At MIT, Adam and Mary experiment with innovative, Reservoir-style ways of supporting spiritual health, faith exploration, and the search for meaning and purpose. They are the proud parents of **Lily** (born in 2011) and **Ash** (born in 2015).

She's passionate about people experiencing Jesus—His love, His grace, and His reconciled community. She loves feeding people, literally and spiritually. Her family has worshiped at the Reservoir for 18 years, and Kathy has served on the church Board for 6 years.

International Justice Mission (IJM) (Tier 2)

IJM is a global organization that **protects the poor** from violence in the **developing world**. They are also the world's largest anti-slavery organization. Their vision is to rescue thousands, protect millions, and prove that justice for the poor is possible. They do this through rescuing victims, bringing criminals to justice, restoring survivors, and strengthening justice systems.

Reservoir is helping fund IJM's Ghana office in particular, which is focused on issues of child slavery. www.ijm.org
